

International Freight Forwarders

About Us

AGN Freight (Air Global Network) International Freight Forwarder commenced its operations in 2008 and has been servicing the local market in the fields of International Freight Forwarding, both Air, Sea, and Land transport import and export, Customs Brokers, local transport, storage and warehousing.

We are a 100% Dubai owned office with global networking .

With the active support of our valuable customers AGN Freight has grown as one of the leading International Freight Forwarding company in Dubai, UAE. Our long established, world wide agency network with the help of state-of-the-art tracking & pre-alerting systems provides our customers full cargo control. Our customs clearance division provides a personalised service backed up by the latest automation systems available. Our highly experienced customs brokers keep you updated with the tariffs and customs regulations.

Since Dubai has grown as a major transit point in the region serving Europe, US, Middle East and Asia to the central Asian republics, AGN Freight offer a wide range of products to our customers in total logistics and freight forwarding by Air, Sea and Road Transport. We also provide services out of BAH/DOH/MCT/KWI to various regions with the help of dedicate agents.
